VERSE 3.43

एवं बुद्धेः परं बुद्ध्वा संस्तभ्यात्मानमात्मना ।
जहि शत्रुं महाबाहो कामरूपं दुरासदम् ॥ 43 ॥

*evam buddheḥ param buddhvā sanstabhyātmānam ātmanā
jahi śhatruṁ mahā-bāho kāma-rūpaṁ durāsadam*

evam—thus; **buddheḥ**—than the intellect; **param**—superior; **buddhvā**—knowing; **sanstabhya**—subdue; **ātmānam**—the lower self (senses, mind, and intellect); **ātmanā**—by higher self (soul); **jahi**—kill; **śhatruṁ**—the enemy; **mahā-bāho**—mighty-armed one; **kāma-rūpaṁ**—in the form of desire; **durāsadam**—formidable

O mighty-armed Arjuna! Thus, having known what is greater than the intellect (i.e.) Atma, and restraining the mind by the intellect conquer the foe (kama) in the form of desire which is indeed hard to overcome.
